

Office of the Chief Conservator of Forest, Jaipur

SITE INSPECTION REPORT NOT BELOW THE RANK OF C.C.F

(For the Forest Land to be diverted under FCA)

Proposal No. : FP/RJ/Water/15016/2015.

Name of the project:- "Diversion of 0.05 Ha forest land for construction of Drinking water supply scheme at village Sonkhri, Tehsil Kathumar district Alwar."

A proposal has been online and offline received by this office from APCCF and Nodal Officer, FCA, Rajasthan, Jaipur for Diversion (Under FCA-1980) of 0.05 ha. of forest land of Unclass Forest block Sonkhri range Laxmangarh. The proposed project envisages the use of forest land for construction of Drinking water supply scheme at village Sonkhri, Tehsil Kathumar district Alwar.

The site inspection of the forest land involved in the proposal has been verified at site by the under signed on date 27.11.2021. During inspection of the site, it is found that the land required by the user agency is a forest land under Alwar division measuring total of 0.05 ha. of forest land of Unclass Forest block Sonkhri range Laxmangarh.

The requirement of forest land as proposed by the user agency in col. 2 of Part-I, is unavoidable and barest minimum, required for the development of project.

There is no rare/endangered/unique species of flora and fauna found in the forest area and none of the Protected/Archaeological/ Heritage site/ Defence establishment or any other important monuments located in the area.

The user agency started the work at the proposed site but was stopped & still it is incomplete. Only about 7 feet height cement wall for water storage tank is constructed at site. No other work is done there. Hence it amounts to violation of the provisions of Forest (Conservation) Act, 1980. No work is going on at site at present .

Specific recommendation for acceptance or otherwise of the proposal: The proposal may be accepted in public interest.
