

GOVERNMENT OF MEGHALAYA
DEPARTMENT OF FORESTS AND ENVIRONMENT
OFFICE OF THE PRINCIPAL CHIEF CONSERVATOR OF FORESTS (HoFF):
MEGHALAYA

No.MFG.22/544/ 2025

Dated Shillong, the 29th September, 2020.

To,

The Secretary to the Government of Meghalaya,
Forests & Environment Department.

Issued on _____

Sub: Forest clearance for Installation of Hydrological Observation Station at Baghmara by Water Resources Department.

Sir,

With reference to the above, I am submitting herewith the FC Act proposal for installation of Hydrological Observation Station at Baghmara by Water Resources Department alongwith relevant documents for seeking approval under Section 2 of the FC Act, 1980 as applied by the Executive Engineer (WR), South Garo Hills Division, Baghmara.

This is for your kind information and necessary action.

Encl: 2 sets of proposal

Yours faithfully,

(B.K. Lyngwa, IFS)

Principal Chief Conservator of Forests & HoFF
Meghalaya, Shillong.

Memo No.MFG.22/534/ 2026 - 2028 Dated Shillong, the 29th September, 2020.

Copy to:-

1. The Conservator of Forests (WL & T), Garo Hills Region, Tura.
2. The Divisional Forest Officer, (SF & T) Division, South Garo Hills, Baghmara.
3. The Executive Engineer (WR), South Garo Hills Division, Baghmara.

for
information.

Principal Chief Conservator of Forests & HoFF
Meghalaya, Shillong.

AK/-

PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department.)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks. (While giving opinion the adverse comments made by the concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal pertains to installation of the Hydrological Observation Station near Simsang River, South Garo Hills District, Territorial Division, Baghmara. It is an activity under National Hydrology Project, Govt. of India. The data collected from the observation station will be used for water resources planning and for flood prediction. The area being diverted is only 0.01 Ha, with no tree felling. I therefore, concur to the views of Divisional Forest Officer (T) and Conservator of Forests (T) for diversion of the forest land for the aforementioned purpose.

Hence the proposal is recommended

Date: 29.9.20
