| v)    | Legal status of forest                                                                                                                                                                                                | : Protected Forest                                                    |
| vi)   | Density of Vegetation                                                                                                                                                                                                 | : Not Applicable                                                      |
| vii)  | Species wise (Scientific names) and diameter class wise enumeration of trees to be enclosed. In case of irrigation / hydel projects enumeration at FRI... FRI...2 meter and FRL – 4 meter also to be enclosed.        | : Not Applicable                                                      |
| viii) | Brief note on vulnerability of the forest area to erosion                                                                                                                                                             | : Not prone to erosion                                                |
| ix)   | Approximate distance of proposed site for diversion from boundary of forest                                                                                                                                           | : Preferably on the extreme edge of the boundary                      |
| x)    | Whether forms part of National Park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc. ( If so, the details of the area and comments of the Chief Wildlife Warden to be annexed )         | : Not Applicable                                                      |
| xi)   | Whether any rare/endangered / unique species of flora and fauna found in the area – if so details thereof.                                                                                                            | : Not Applicable                                                      |
| xii)  | Whether any protected archaeological / heritage site / defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.       | : Not Applicable                                                      |
| 8.    | Whether the requirement of forest land as proposed by the user agency in col. 2 of part I is unavoidable and barest minimum for the project. If no, recommended area item wise with details of alternatives examined  | : It is unavailable; there is no other place for Laying Gas pipeline. |
| 9.    | Whether any work in violation of the Act has been carried out (Yes / No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress | Not Applicable                                                        |
| 10.   | Details of compensatory afforestation scheme:                                                                                                                                                                         | Not Applicable                                                        |

|      |                                                                                                                                                                                                                 |                                                                                                                               |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| i)   | Details of non-forest area/degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch                                            | Not Applicable                                                                                                                |
| ii)  | Map showing non-forest / degraded forest area identified for compensatory afforestation and adjoining forest boundaries                                                                                         | Not Applicable                                                                                                                |
| iii) | Details compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure etc.                                                                              | Not Applicable                                                                                                                |
| iv)  | Total financial outlay for compensatory afforestation scheme                                                                                                                                                    | Not Applicable                                                                                                                |
| v)   | Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view ( To be signed by the concerned Deputy Conservator of Forests ) | Not Applicable                                                                                                                |
| 11.  | Site Inspection report of the DCF ( to be enclosed ) especially highlighting facts asked in col. 7 (xi,xii), 8 and 9 above.                                                                                     | Attached here with proposal.                                                                                                  |
| 12.  | Division/ District profile:                                                                                                                                                                                     | Bharuch / Bharuch                                                                                                             |
| i)   | Geographical area of the district                                                                                                                                                                               | Sq.Km.5736.84                                                                                                                 |
| ii)  | Forest area of the district                                                                                                                                                                                     | P/F 834.42 Km and 26.07 ha.                                                                                                   |
| iii) | Total forest area diverted since 1980 with number of cases                                                                                                                                                      | 54 100.02                                                                                                                     |
| iv)  | Total compensatory afforestation stipulated in the district/division since on 1980 on<br>(a) forest land including penal compensatory afforestation<br>(b) non-forest land                                      | 135.13 he                                                                                                                     |
| v)   | Progress of compensatory afforestation as on date 31-3-13 on<br>(a) forest land<br>(b) non-forest land                                                                                                          | 126.13                                                                                                                        |
| 13.  | Specific recommendation of the DCF for acceptance or otherwise of the proposal with reasons                                                                                                                     | Yes, Recommend 0.0017Ha for approval of the project is ensure easy & safe for providing the basic requirement for Industries. |
