

Project Title:- Upgradation and Maintenance of Road From Tc3-Seyn To  
 Substation - Pkg. No. JKRL-2002, PMGSY II (2019-20)  
 (Crust Plastic)

File No :- FP/JK/ReAD/33754/2020

Date:- 11/11/2020

S.No.	Name of the document(s)	Provided or not	If not provided, why?	Page No.
	Documents/ Information Required for all proposals			01
1	Check list of the project proposal	Yes		
2	Main application form from Part-I to V as prescribed in the rules under Forest Conservation (Act 1980), with all its columns duly filled up and signed by the competent authority with date, place and their official seal. All the information in part-I of the form-A including Item wise breakup of the forest area required must be given in the form itself by expending the columns with complete address, email date, place and seal. (if available)	Yes		02 to 06
3	Detailed note on the project for which diversion proposed. It must include the information regarding the number of villages and the number of persons to be benefitted from the project, including employment generation.	Yes		07
4	Map of the project site/ forest area demanded clearly showing forest boundaries and adjoining areas with their land use in distinct colours in any suitable scale on original survey on topo-sheet. If the area is very small in addition to above, an index map may be submitted showing forest boundaries and a location map on a large scale with land use of the area required duly signed by DFO/CF concerned forest and non-forest areas to be shown in distinct colours.	Yes		08
5	Layout plan of project site. In case of linear diversions of forest land, linear map or a diagrammatical map of the project site should be enclosed.	Yes		09
6	Statement showing the details of forest area involved i.e. survey no. coupe Break up of forest area proposal for diversion duly signed by DFO. In the prescribed format			
7	Statement showing the details of non-forest area involved in the proposal (In the prescribed format)			
8	Certificate from the collector/ Deputy commissioner that no alternative suitable non-forest land is available for the project in question except in case where the project is not proposed on the forest land and only right of way (ROW) is required.	Yes		10
9	Justification for locating the project in the forest area to be submitted by user agency and countersigned by DFO	Yes		11
10	Certificate for minimum use of forest land to be submitted by the user agency, giving details of area and trees involved in the alternatives examined and reason for their rejections duly countersigned by DFO. (In the prescribed format)	Yes		12

H. D. Dhamod  
 Executive Engineer  
 PMGSY (JKRRDA)  
 Division Anantnag

1	Undertaking by the user agency to bear the cost of compensatory afforestation duly countersigned by DFO. (In the prescribed format)	Yes	13
2	Undertaking by the user agency to pay the net present value (NPV) of the forest land involved duly counter signed by the DFO. (In the prescribed format)	Yes	14
3	A certificate from the competent authority in the state that all the forest under the forest rights act, 2006 has been settled in respect of the forest area proposed for the diversion whenever applicable.	Yes	15
4	Species wise and girth class wise enumeration list and abstract of trees (Abstract to be given at the end of the list) standing on the forest area in question neatly typed or computerised and duly signed by DFO. Wherever possible, English and botanical names of vegetation should be mentioned.	Yes	01
5	Site inspection report of the forest area involved in the project proposal by the DFO concerned or higher level forest officer. (In the prescribed format) however, if the area involved is more than five ha or number of trees marked for felling is 200 or more, it should be inspected by CF.	Yes	02
6	Detail of non-forest land/ degraded forest area identified for compensation/ afforestation viz. survey no./compartment no. khasra no. / khatone no., village, tehsil, district etc. along with map in appropriate scale showing the boundaries of adjoining forest areas with their and use in distinct colour. (In the prescribed format)		
7	Detailed scheme for compensatory afforestation on identified non-forest area/ degraded forest area at prevalent wage rate duly signed by DFO and Countersigned by CF. The CA scheme must include all the technical details, details of work schedule, total financial outlet and proposed monitoring mechanism	Yes	03
8	Certificate from the DFO, that non-forest land / forest land selected for compensatory afforestation is in a compact block and contiguous to forest area or in closed proximity of forest area and suitable raising plantation and from the management and projection point of view, and free from all sorts of encumbrances and encroachments. (In the prescribed format)	Yes	04
9	In case of violation of provision of the FCA, 1980 or any other forest act, a detailed report on violation to be submitted.		
10	Certificate from the chief secretary regarding non availability of non-forest land in the state for raising compensatory afforestation wherever applicable.
