(in Deogarh Forest Division) of forest land for rehabilitation and up-gradation of Binjabahal – Teleibani Section of NH – 6 from Km 414.982 to Km.493.300 in the State of Odisha under NHDP IV-B (Group B) Forest Diversion Proposal No.FP/OR/Road/18864/2016, State SI. No. OR-032/2016 dt. 02.05.2016 for the forest area of 70.58 Ha.

Ref: DFO, Deogarh letter No.3043 dt. 05.08.2016.

Sir,

In inviting a kind reference to the letter on the subject cited above and the discrepancies observed during the site inspection at Pallahara on dt. 03.07.2016, the following points are worth mentioning.

1. The DGPS survey and the pillar posting demarcating the area is now completed. As per the observations, four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing and distance from pillar to pillar to distinguish forest land to be diverted and the non-forest land in each site with display sign boards have been erected at the site.
2. With reference to the observations, the enumeration has been conducted again. The revised list has been jointly signed by the user agency, representative of revenue and forest department. The trees have been freshly marked and the pillars have been fixed. The detailed list in this regard is enclosed herewith for further necessary action at your end.

It is therefore requested to conveniently arrange a suitable date for inspection of the site proper and forward the proposal for getting the approval of Forest Diversion Plan.

Your cooperation in the above matter will be highly appreciated. Awaiting a positive response from your goodself.

Yours faithfully,

(R. A. Hardas)

Dy.G.M.(T) & Project Director.
