

**Full Title of the Project :-** Diversion proposal of forest land for construction of link road to village Bhogpur Simbalwala Km.0/0 to 3440( Portion 1/730 to 2/120 and 3/28/5 to 3440 i.e. 0.545 Km) in Tehsil Nahan, Distt, Sirmour H.P

File No. \_\_\_\_\_

Date of Proposal: \_\_\_\_\_

## PART-II

(To be filled by the concerned Deputy Conservator of Forest)

| State Serial No. of Proposal | Location of the Project/ scheme<br>i. State/Union Territory<br>ii. District<br>iii. Forest Division.<br>iv. Area of Forest land proposed for diversion (in ha.)<br>v. Legal status of the Forest<br>vi. Density of vegetation<br>vii. Species-wise (Scientific names) and diameter class-wise enumeration of trees to be enclosed. In case of irrigation hydel projects, enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed.<br>viii. Brief note on vulnerability of the forest area to erosion.<br>ix. Approximate the distance of proposed site for diversion from the boundary of forest.<br>x. Whether forms part of a nation park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc. (if so, the details of the area, and comments of the Chief Wildlife Warden to be annexed).<br>xi. Whether any rare/endangered/unique species of flora and fauna found in the area-if so details thereof.<br>xii. Whether any protected archaeological/heritage site/defence establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority. | Himachal Pradesh<br>Sirmour<br>Nahan Forest Division<br><br>0.327 ha<br><br>Reserve forest<br>0.06<br><br>Enumeration list of tree at Page. 39<br><br>No vulnerability of erosion.<br><br>Through RF as well as in private land / GCL.<br><br>No.<br><br><br><br>No. |

| 9.  | Whether any work in violation of various Forest Acts has been carried out (Yes/No). If yes, details of the same including period of work done, action taken against the erring officials. Whether work done in violation is still in progress. | Yes. Presently no violation any kind of work is in progress.                          |
| 10. | Details of compensatory afforestation scheme                                                                                                                                                                                                   | Attached.                                                                             |
|     | i. Details of non-forest area/ degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.                                                                      | In Land Bank RF                                                                       |
|     | ii. Map showing non-forest/degraded forest area identified for compensatory afforestation and adjoining forest boundaries.                                                                                                                     | Attached at page No. 43 to 45                                                         |
|     | iii. Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc.                                                                                                      | Attached at page No. 46-47                                                            |
|     | iv. Total financial outlay for compensatory afforestation scheme.                                                                                                                                                                              | Rs. 3,11,853/-                                                                        |
|     | v. Certificate from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forest.                                | Attached                                                                              |
| iv) | Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in col. 7 (xi, xii), 8 and 9 above.                                                                                                                     | Attached at page No. 42                                                               |
| v)  | Division/District profile:                                                                                                                                                                                                                     |                                                                                       |
|     | i. Geographical area of the district.                                                                                                                                                                                                          | 25260ha                                                                               |
|     | ii. Forest area of the district.                                                                                                                                                                                                               | 31407 ha                                                                              |
|     | iii. Total forest area diverted since 1980 with number of cases.                                                                                                                                                                               | 30=216.5102<br>+1=2.538                                                               |
|     | iv. Total compensatory afforestation stipulated in the district/ division since 1980 on 29/02/2016<br>(a) Forest land including penal compensatory afforestation,<br>(b) Non Forest land.                                                      | 633.0204 ha +5.076                                                                    |
|     | v. Progress of compensatory afforestation as on (date) on 21/12/2016<br>(a) Forest land.<br>(b) Non-Forest land.                                                                                                                               | 390.1896 ha .<br>262.67 ha                                                            |
| vi) | Specific recommendations of the DCF for acceptance or otherwise of the proposal with reason.                                                                                                                                                   | The case being a project of public interest recommended for approval under FCA, 1980. |

**Divisional Forest Officer,  
Nahan Forest Division, Nahan.**
