

**Full Title of the Project: Diversion of 1.276 ha of forest land in favour of HPPWD for the construction of link road from Upper Jamli to Baron Khatana ( Kms 0/0 to 6/700) with in the jurisdiction of Nahan Forest Division, Nahan Distt. Sirmour H.P.**

**File No. FP/HP/road/15861/2015.**

### **Site Inspection Report.**

The revised site inspection of the land involved in this road was been done by me on dated 25.10.2021 with the PWD Official. The alternative has been explored during visit, which have not found suitable. Two numbers alternative alignments were explored by the PWD authority, but not found feasible. The grade of the alternative alignment is not adequate and involved more number of trees as compare to the proposed alignment. Therefore road connectivity to both villages is adequately required.

1) Further every effort has been made to reduce the number of trees involved in the proposed road alignment. The proposed road alignment passes through the Shamlat land of the private land owners. Previously 496 Nos. of trees involved in the road alignment & dumping site of Village Shamlat jungle jhari of village Jamli & Khatana. Again RD wise enumeration of trees has been counted by the Forest field staff and PWD authority.

2) In this road alignment 1.276 Hectare Govt. forest land have been involved for construction of road out of which 0.876 hectare area road alignment and 0.40 hectare for dumping site. The three dumping sites of the forest land is 0.40 hector area involved and 81 number of trees involved and road alignment area is 0.876 ha. and 284 numbers of trees involved. The revised enumeration list already submitted to higher-up.

3) The proposed road alignment to connect these villages, which is being provided by the PWD, is absolutely feasible and also shortest, construction of this road the minimum forest land as well as trees will be involved. The route is quite unavoidable. The proposal is specifically recommended in the interest of public , the land proposed for diversion in the proposal is minimum.

  
Divisional Forest Officer,  
Nahan Forest Division, Nahan.
