**Sub:** *Clarification regarding increase in area required to be diverted for JICA assisted Guwahati Water Supply Project*

**Ref:** Proposal no FP/AS/WATER/149088/2021

Sir,

With reference to the subject mentioned above, it is to inform you that application had been made for diversion of land under Hengarabari Reserve Forest on 09.11.2021 For 0.35 Ha for construction of Geetanagar-I Reservoir and its approach road. However, in the comments received on 21.11.2021 and 18.01.2022, it was informed this office to include additional items relating to the reservoir falling in the reserve forest area.

The following are the additional items considered:-

Sl no	Additional Item	Area (in Ha)
1	Pipeline	0.30 Ha
2	Approach Road to reservoir	0.32Ha
	<b>Total Additional area =</b>	<b>0.62 Ha</b>

The following are the total items considered under the proposal :-

Sl no	Item	Area (in Ha)
1	Geetanagar-I reservoir	0.34 Ha
2	Pipeline	0.30 Ha
3	Approach Road to reservoir	0.32Ha
	<b>Total area =</b>	<b>0.96 Ha</b>

Hence, now the total area required to be diverted is 0.96 Ha.

We kindly request you to accord the necessary approval at the earliest so that works can be started at the earliest.

Yours faithfully,

  
Project Director,  
Project Implementation Unit  
JICA assisted GWSP.
