Sub: Issue of Certificate ensuring compliance of Sts & OTFDs (RFR) Act, 2006 in respect of forest land proposed to be diverted for establishment of Iron Ore Grinding & Beneficiation Unit at Gobardhanpur under Barbil Tahasil and establishment of Intake well and water pumping station for the said unit by JSW Utkal steel Ltd.

Sir,

I am to say that S.P. Singh for JSW Utkal Steel Ltd. has intimated that they have got in-principle approval from the government of Odisha through its High level clearance authority to establish an Iron Ore Grinding & Beneficiation Unit at Gobardhanpur under Barbil Tahasil and an iron ore concentrate slurry pipe line connecting the grinding unit and its proposed 12 mtpa integrated steel Plant at Paradeep. IDCO has already handed over possession of Ac. 183.61 to JSW Utkal steel Ltd. for the purpose. Further he has informed that JSW Utkal Steel Ltd also proposed to acquire another 9.41 acres of land in the villages of Bhagalpur and Gobardhanpur for its industrial facilities and 5.75 acres of land at village Kandara under Barbil Tahasil for the purpose of establishing intake well and water pumping station for the above said Grinding and beneficiation Unit. They have verified the above land through the Tahasildar, Barbil and learnt that out of the total land involved in the above two projects 2.58 acres of land is hal forest land and 53.48 acres of land which are non forest in hal records but treated as forest as on 25.10.1980. Accordingly he has furnished the land schedule of the total forest land and requested for issue of certificate ensuring compliance of Sts & OTFDs (RFR) Act, 2006 in respect of forest land measuring Ac. 56.06 (2.58+53.48) in village Lahanda (38.59), Gobardhanpur (0.64), Kandara (2.570) and Bhagalpur (9.55) under Barbil Tahasil

You are therefore requested to enquire into the matter on settlement of rights under FRA, 2006 in respect of the forest area measuring Ac. 56.06 proposed to be diverted and take step to ascertain whether Gram Sabhas/Pallisabhas of the area concerned have given their consent for such diversion and forward his findings in the Format-II specified in this regard after approval in the DLC meeting.

Yours faithfully,
