Memo No. 2606 Dated:- 15-3-2022

**Subject:-** Application of permission for diversion of forest land for construction of new road from Village Joshi Chauhan to Village Nangal Kalan along with irrigation channel/minor in Rai constituency in Distt. Sonapat, Haryana (RD 0 to 10360 M).

**Reference:-** Your office Proposal No. FP/HR/ROAD/151950/2022 dated 09.02.2022.

In the above context, it is submitted that the work of construction of new road from Village Joshi Chauhan to Village Nangal Kalan along with irrigation channel/minor in Rai constituency in Distt. Sonapat, Haryana (RD 0 to 10360 M) is approved vide ACS to Govt. Haryana Office Memo No. 9-324/2021-3B &R (W) dated 09.08.2021 by the Government. The Detailed Estimate has already been submitted and the DNIT of the work is under process which is held up/pending for want of forest clearance. The matter for obtaining/arranging NOC was taken up with the Forest Department Haryana. The online application was also submitted to your good office for according necessary approval of forest clearance. Your office has observed/made quaries in this regard which reads as under:

“As per provision of Forest Conservation Act non-forest land equivalent to proposed forest land is required to be transferred in favour of Forest Department for compensatory purposes.”

It is brought out that the land where the road is proposed to be constructed pertains to the bank of Irrigation channel/minor on which trees have been planted by the Forest Department which is required to be removed/axed for giving clear site to the contractual agency. NOC from Irrigation Department is under process for construction of new road on bank of channel/minor. It is made clear that the PWD Department has no land to be transferred in favour of Forest Department for compensatory purposes. This office is ready to pay the necessary charges of removal of trees.

Under the circumstances it is requested to please arrange to issue NOC so that matter is processed and project is implemented without further delay.
