

BRIEF NOTE

1000 MW Hydro Electric Project is being constructed by Chenab Valley Power Project in Union Territory of Jammu and Kashmir District Kishtwar Tehsil Dachhan having its dam site at Dangdrou-Swerbhati in Village Sounder of Tehsil Dachhan. The existing 11 KV line feeding Dachhan Block is passing through the proposed quarry area of dam site and is creating hindrance in dam construction. The line needs to be shifted to the left bank of river i.e along the road side edges of motorable road constructed by R&B/PMGSY Division Marwah for which the forest clearance has already been obtained by R&B Department. Forest land of 2.982 ha is involved in shifting of 11KV line and its relocation along the Dangduru-Dachhan road. The work has been allotted in favour of M/S Zarger Construction for an awarded cost of Rs. 97.00 Lakhs.

Dated 12 /03/2022

Sub:- Request for issuance of certificate for shifting of 11 KV trunk line of Dachhan Block involved due to construction of Pakal Dul HEP from Sewerbhati to Dhanrasie (Sunder) along the road side constructed by PMGSY Division Marwah.

Sir,

The process for use of forest land for the above noted 11 KV line has been taken up under PARIVESH for which the certificates as regards availability/non-availability of revenue land to be transferred to forest Department in lieu of use of forest land is required.

S. No	Name of work / location	Package No	Line length	Block	Approximate Forest area involved.
1	Shifting of 11KV Trunk Line form Sewerbhati to Dhanrashie Sounder	RR Plan	4.0 Km	Dachhan	2.982 he.

It is therefore requested that requisite certificate for shifting of 11KV line as detailed above may kindly be issued please. So that the forest clearance of the line is obtained.

Yours faithfully

Sub: Shifting of Power Lines from quarry area of Dam site.

Sir,

On the subjected and in reference to the communication vide No:- JKDCL/DK/20-21/780-84 Dt:- 30.06.2020, and JPDCL/DK/20-21/1047-50 Dt:- 20.07.2020, wherein it has been apprised that the tender amount for L1 Bidder for the work taken by the EM&RE Division Kishtwar comes to Rs. **127.16 lacs instead of 93.99 lacs** as was proposed in the composite plan, citing the reason that the estimated cost for the said work done was based on the cost data for the year 2017-18, while as tender work was floated in the year 2019.

However, under component no. XII, R&R plan for Pakal Dul HEPP, (approved vide Cabinet Decision No:- Cabinet Decision No: 17/02/2017 Dated: 13-02-2017, and vide Govt. Order No: 12-DMRR&R of 2017 dated: 22-02-2017), the composite plan was to be finalized by the Deputy Commissioner and got approved from the concerned Relief & Rehabilitation Department. The process has been culminated by preparation of the plans under the said component in consultation with the entire line department including you, which has been got approved/ sanctioned for the concerned quarters already for the amount proposed under the plan.

The further process requires another deliberate discussion in the matter, as was previously held, before sending proposal to the higher ups as per the approved R&R plan.

However, in view of the urgent work nature, as apprised by the Chief General Manager Pakal Dul HEPP vide No:- CVPP/PDHEP/CGM/2020/78A Dt:- 18.07.2020 & CVPP/PDHEP/CGM/2020/675 Dt:- 01.07.2020 and as requested by you in the interest/ smooth functioning of the project work, you are hereby requested to proceed further in the matter as per the already approved proposal (amounting to Rs. 93.99 lacs). The hike/ excess amount for the said work shall be taken up with the higher authorities (approving authority as per approved R&R Plan) and as and when, the approval is received from the concerned quarters, same shall be communicated to you.

Yours faithfully,

Rajinder Singh Taro (KAS)
Commissioner, R&R, PDHEP,
