TO WHOM SO EVER IT MAY CONCERN

This is to certify that well nos. NRDE, NRDG, NRDH and NRDL is to be drilled from existing location of NRAF. **No additional land is required to drill new wells from the existing location.** The existing location is still in use of ONGC. The existing land has forest clearance and environmental clearance. After discussion with Nodal Officer, documents submitted along with application are for existing land of NRAF.

Submitted for your information please.
