

BRIEF NOTE

1000 MW Hydro Electric Project is being constructed by Chenab Valley Power Project in Union Territory of Jammu and Kashmir District Kishtwar Tehsil Dachhan having its dam site at Dangdrou-Swerbhati in Village Sounder of Tehsil Dachhan. The existing 11 KV line feeding Dachhan Block is passing through the proposed quarry area of dam site and is creating hindrance in dam construction. The line needs to be shifted to the left bank of river i.e along the road side edges of motorable road constructed by R&B/PMGSY Division Marwah for which the forest clearance has already been obtained by R&B Department. Forest land of 2.982 ha is involved in shifting of 11KV line and its relocation along the Dangduru-Dachhan road. The work has been allotted in favour of M/S Zarger Construction for an awarded cost of Rs. 97.00 Lakhs.
