Sub.: Provisional NOC for access permission to the proposed fuel station of M/s IOCL at Km. 62.548 (RHS) on NH-27 (Old NH No. 28) at Village Kashipur Tehsil Ramsanehighat & District Barabanki in the State of Uttar Pradesh.

Ref.: 1. Your letter dated 15.04.2014  
2. NHAI, RO-Lucknow endorsement no. 24969 dated 23.07.2014  
3. MoRT&H letter no. 1238 dated 16.07.2014

Sir,

With reference to above cited subject, the Competent Authority at the Regional office, Ministry of Road Transport and Highway, Lucknow has accorded the provisional NOC to the above proposal, subject to the fulfillment of following conditions :

- (i) The Provisional NOC shall be valid only upon the successful realization of requisite fee to the Central Govt. account.
- (ii) The applicant will be responsible for construction of service road in required length as per standards and specifications of MoRT&H/NHAI and to the satisfaction of competent authority of NHAI as also mentioned in the undertaking and indicated in drawings furnished by the applicant.
- (iii) The drinking water and toilet facilities shall be provided at the fuel station such facilities shall be accessible to the public round the clock. In order to inform the public about these, a retro reflective display board as per format enclosed at Annex-I shall be installed at the buffer strip in front of fuel station.
- (iv) For drainage, RCC slab culvert with minimum span of 2m shall be provided as per IRC: SP: 13-2004- "Guidelines for the design of small bridges and culverts". The slab culvert shall be constructed with iron grating of adequate strength in the approaches for drainage of surface water.
- (v) The Architect/Consultant shall ensure the video recordings (before and after completion of construction work) of the site and that the work is done as per

- approved drawings, failing which action will be initiated to blacklist such Architect/Consultant and to de-energize the fuel station.
- (vi) The approval is based on the submissions made by the Applicant as verified by the NHAI Authorities. The Applicant is responsible for the details provided in the application. The Ministry is at liberty to verify the authenticity of the documents at any time. Any misrepresentations, omission or suppression of facts or disclosure of incomplete facts detected at any stage shall lead to withdrawal of this approval with cost to the applicant.
2. The oil company may construct the access to the proposed fuel station, as per approved drawings at their own cost within 6 months of the issue of this provisional NOC. After the construction as per approved drawings and the certification by PD, NHAI, PIU, Lucknow, along with recommendation of RO, NHAI, Lucknow that the construction work has been carried out in compliance with the provisions approved, the issue of final formal permission including issuance of signed license deed may be considered. In case the construction is not done in one year of the issue of this provisional NOC, the same shall be deemed to be cancelled, unless renewed by the Competent Authority. The concerned Oil Company would be allowed to energize the fuel station only after the final approval by the Competent Authority.
3. The fresh License deed (duly indicating new NH No. along with chainage), in two originals, as per the standard format given in Ministry's circular dated 24th July, 2013 drawn on new stamp paper and duly signed by authorized signatory may be furnished at the time of issue of final permission.
4. Processing fee of Rs. 10,000/- & license fee of Rs. 2,10,000/- submitted vide DD No. 000195 & 000194 have become time barred, the same are being returned herewith in original.
5. In view of the above, a copy of drawing (layout and drainage plan) as approved by the Competent Authority is being enclosed herewith for your information.

Encl : As above.
