

Compensatory Afforestation Scheme Details

The land diverted in forest land is only 0.03 ha for construction of a water tank and laying drinking water pipelines under this project. As, per Rule 3.2 (vii) (b) of Forest (Conservation) Act 1980, no compensatory afforestation shall be insisted upon proposals involving diversion of forest land up to one hectare. Therefore, in this project, preparing compensatory afforestation scheme doesn't exist.
