JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA.

3.6400 hectare of forest land is required for the construction of LINK TO VILLAGE DANGARI KM. 0/0 TO 5/675. The total length of the road is 5.675 Kms out of which 5.156 kms of road will pass through the forest land and 0.519 kms pass through private land. This road is being constructed to provide motor link to the village Dangari road will cater to the need of population approx. 571 souls and will give a boost to the local economy. For the construction of this road 3.0978 hectare and Dumping Sites 0.5422 = 3.6400 hectare of forest land required to be diverted.

Certified that location of all the civil components of the link road to village Dangari in Tehsil Bhattiyat, District Chamba is feasible in the forest land only. Apart from the Non Forest land proposed. There is no Non Forest Land available in the concerned area. There already exists a Jeepable Road from Km. 1/120 to 5/675 which needs to be widened for motorable standard so the alignment has been finalized. The road was constructed long back in 2006 and the proposal has been prepared to regularize the violation.
