

### **Other Issues:**

- i) The project involved diversion of Forest Land to the extent less than 1.00 Ha.
- ii) No felling of tree or clearing of vegetation is required for the project.
- iii) The Project Proposal is for an underground work. Hence, the NPV is exempted up to 50% of normal rate.
- iv) The project does not fall within the limit of submergence or catchment area of any project. Hence, no population, including Scheduled Caste/Tribe, is affected or likely to be displaced by this project.
- v) The project does not falls within 10 kms distance from the boundaries of any Wildlife Sanctuary.
- vi) The project is covered under General Approval issued by the Central Government. Hence, subject to approval from the State Government.
