Sir/Madam

Please refer to your office letter no. PWD-TD-WA-Forest Case 2019-20:- 2072-73 dated 03.02.2020 and .kml submitted on official mail of undersigned on the above quoted subject.

2. After going through the proposal it has been observed that the proposed road is at the aerial distance of 21.73 KM (approx.) from the proposed Eco-sensitive Zone of Gamgul Siyabehi Wildlife sanctuary. There is no scope for construction of any wildlife corridor around the proposed road. This land does not act as buffer zone for Gamgul Siyabehi Wildlife Sanctuary and it is perceived that construction of proposed road will have no adverse impact on Wildlife.

This is for your kind information and necessary action.
