

**Scheme for Compensatory Aforestation for Construction of
Quarrying of Earth/Ordinary Earth at Lhongchin Village inside Tamenglong- Tairenpokpi PF**

The Project requires diversion of 0.92 Ha. of Forest land in Kangpokpi District, Manipur of which 0.92 Ha. is in Bishnupur Forest Division. As non-forest/waste land are not available in Bishnupur District, the Forest Conservation Act, 1980 requires Compensatory Afforestation to be carried out on degraded forest land twice in extent of forest area to be diverted. Area of Compensatory Afforestation for this Project has been identified in one site in Bishnupur range of this Division. (Map Annexed)

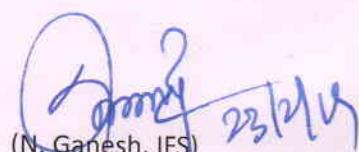

The said Compensatory Afforestation is proposed to be carried out over 0.92 Ha. Area at Lhongchin Village inside Tamenglong- Tairenpokpi PF, Compartment no. 2, Leimaram Block, Bishnupur Range in Bishnupur Forest Division. The geo-coordinates of the site is given below.

Sl. No.	GPS Points	Latitude	Longitude
1	1	24 46' 23.9" N	93° 47' 0.9" E
2	2	24 46' 21.0" N	93° 47' 1.4" E
3	3	24 46' 20.2" N	93° 47' 8.5" E
4	4	24 46' 25.9" N	93° 47' 5.5" E

The delineation of the proposed site Compensatory Afforestation in the form of maps along with the corresponding shape files are enclosed here along with the proposal.

Forest Department, Government of Manipur would be the agency responsible for executing the said scheme. Species preferable for the area include Schima wallichii, Gmelina arborea, Pinus kesiya, Constanopsis hystrix, Alnus nepalenes, Litsea monopetala, Emblica officinalis, Lannea grandis, Cordia grandis, Terminalia sp, etc. as these species are locally available in the area. The detailed work schedule has been enclosed here along with the cost structure of the said plantation. Advance work and nursery preparations would be carried out in the first year which would be followed by creation of plantation in the second year. Maintenance would spread over seven years starting from the year following the year of creation. The model estimates of the scheme are enclosed here.

Monitoring of works under Compensatory Afforestation for the said project shall be taken up by the Department on a regular basis as circulated by the Ministry from time to time.
