With reference to your letter submitted at my office on Monday the 16/03/2020, it has been verified by our section officer that the road from Gattlagollahalli- Bendone road to Survey no. 24(Sulekal Reserve forest) via Mahalinganahatti comes under the category of rural roads and is of 7 meters in width. The road is maintained by the P.R.E Sub-Division Koratagere with the available funds under the name DRRP No. VR 494. A survey Sketch of the same has been attached with this letter.
