

**OFFICE OF THE DIVISIONAL FOREST OFFICER,
MARWAH FOREST DIVISION**

The Conservator of Forests,
Chenab Circle, Doda

No: 5634 /MFD

Dt: 24-03-2021.

Sub: Clarification and uploading of the correct area regarding diversion of Forest land required for underground & aerial cabling from Bhandarkote - Qaderna.

Ref: Proposal No. FP/JK/OFC/144255/2021.

Sir,

Kindly refer to the subject captioned above, it is submitted that clarification has been sought by your good office regarding the clarification & uploading of correct area as there is variation in the area recommended for approval in site inspection report and Form A part II as uploaded in Portal.

In this context, it is to submit that the User Agency has proposed an area of forest land measuring 1.54 Ha. for laying of underground and aerial cabling from Bhandarkote to Qaderna. But an area of forest land measuring 0.8177 Ha. has been recommended for approval in SIR and Form A-Part II as the joint inspection has been carried out upto village Hynen Comptt. 1/D (Forest Range Dachhan) and from Hynen to Qaderna (Forest Range Marwah) has not been carried out. Because of which there is variation in the area proposed and area recommended for approval.

Moreover, an undertaking for change in nomenclature has been taken from the User Agency which has been uploaded at Srl No. 15 as additional documents.

Hence, clarification as sought is submitted for favour of information and necessary action, please.

Yours faithfully,

(Vijay Kumar) SFS

**Divisional Forest Officer,
Marwah Forest Division**
