Joint Verification Report of the 3 (three) number drilling wells in Deomali PEL Area located within 10km of Dehing- Patkai Wild Life Sanctuary, Assam.

Date of Joint Verification: 07.10.2015
Time: 0830 Hrs to 1530Hrs

- Reference:** (i) OIL's Application for Wild Life Clearance from standing committee of NBWL (National Board of Wild Life) for 3 (three) number drilling wells in Deomali PEL Area located within 10km of Dehing- Patkai Wild Life Sanctuary, Assam.
(ii) Principal Chief Conservator of Forests, Wildlife & Chief Wildlife Warden, Assam letter ref. No. WL/FG.35/OIL/3 Nos. drilling wells in Deomali Dehing-Patkai WLS/2014 dated 31/12/2014
(iii) DFO Digboi letter ref. no. B/G-8(a)/2015/4298-99 dated 11/06/2015 to DFO, Deomali requesting to fix up a suitable date for joint verification of 3 (three) nos. drilling locations.

Reference above, the joint verification of the 3 (three) proposed drilling locations in Deomali PEL area located within 10 km of Dehing-Patkai Wild Life Sanctuary, Assam was carried out on 7th October 2015. The verification was carried out by the Officials/Personnel from the Office of the DFO, Digboi; DFO, Deomali and Oil India Limited, Duliajan.

1.0 Brief Description of the Project:

Oil India Limited (OIL), a Government of India Navaratna Enterprise, is engaged in carrying out exploration activities in its operational areas in Upper Assam, Arunachal Pradesh and Mizoram in the North Eastern part of India for petroleum exploration. Govt. of India and Arunachal Pradesh has awarded Petroleum Exploration License (PEL) for Deomali PEL Block to OIL having an area of 113.5 sq. km spreading in parts of Tirap and Changlang districts in the state of Arunachal Pradesh. The Deomali PEL Block is located in the mountainous terrain of Tirap and Changlang district of Arunachal Pradesh. Major town in the area is Deomali, located about 8 km from the PEL Block.

The proposed project sites of 3 (three) drilling wells in the Deomali PEL area in the state of Arunachal Pradesh for which OIL has sought Eco-Sensitive Zone Clearance from NBWL (National Board of Wild Life) are located within 10km of Dehing- Patkai Wild Life Sanctuary, Assam.

The said project is purely exploratory in nature and activity at one location will last for about 3-4 months. Consequent to successful exploration, if any, OIL shall have to obtain separate clearance from the Ministry of Environment, Forests and Climate Change for developmental activity in the area.

2.0 Requirement of Joint Verification:

The Dehing Patkai Wildlife Sanctuary is located in the state of Assam and its proposed Eco-Sensitive Zone has covered part of the Arunachal Pradesh also. The proposed project sites of Oil India Limited against which Eco Sensitive Zone (NBWL) clearance is required for execution of the project are located within the proposed Eco-Sensitive Zone of Dehing Patkai Wild Life

Sanctuary but in the state of Arunachal Pradesh. View above, it was decided for joint verification of the area comprising the representatives from DFO Digboi (Assam), DFO Deomali (Arunachal Pradesh) and OIL representatives.

3.0 The findings of the joint verification:

- Location Details:** The details of the proposed locations along with the findings are given in the following table:

SL No	Loc Co-ordinate		Loc. Name	Location	Remarks
	Latitude	Longitude			
1	27° 07' 37.0"	95° 28' 47.5"	Loc-A (DML-1)	The location of the 2 (two) wells i.e. Loc-A (DML-1) & Loc-B (DML-3) is adjacent to the Deomali-Soha state PWD Road (approx. 50 m) and near Namsang Village under Deomali Subdivision in the Tirap District of Arunachal Pradesh. The area is falling within the Namsang Social Forest area under Deomali Forest Division, Deomali, Arunachal Pradesh. Both the proposed locations are in the same plinth area.	<ul style="list-style-type: none"> (i) The Loc-A (DML-1) is located at 2.0 Km & Loc-B (DML-3) 1.9 Km from the South Eastern boundary of Joypore Reserve Forest under the Dehing-Patkai Wild Life Sanctuary, Assam. (ii) The proposed drilling locations (project sites) are located under Deomali Subdivision in Tirap District of Arunachal Pradesh. (iii) The Dehing-Patkai Wild Life Sanctuary is bounded by the River Burhi-Dihing and Namsang Nadi/Chhatju River and the proposed project sites are beyond the river. (iv) Nearest settlement at Namsang village is located at about 0.8 km in west and Deomali town is situated at about 8 km in north of the proposed drilling site. The Deomali-Soha State PWD Road is passing adjacent to the project site. (v) Presently the location is found to be jhoom cultivated area and did not observe physical forest within the proposed plinth area during verification visit.

CERTIFICATE

This is to certify that the plot of land measuring 15.0 ha (double the area of proposed site) falls under Borduria VFR. The identified area is degraded forest land and is suitable for raising compensatory afforestation against the diversion of forest land of oil drilling site (DML-2). The selected CA area is ideal for management purposes.
