

--: **Note** :--

The location KNEB has been named for Loc 105 (KA-2) after OIL management approval in Dhansiri Reserve Forest. As such, Loc. KNEB and KA-2/105 represents the same location planned to be drilled by Oil India Limited in NELP Block AA-ONN-2010/2 which lies in Dhansiri Reserve Forest.

Further it is declared that Petroleum Exploration License was granted under MoP&NG Rule 1959 and hence the mining plan does not applicable in this regard. Hence, it is requested to exempt the requirement of Mining Plan for drilling location KNEB from Oil India Limited.
