**Sub: Justification for not providing village wise breakup non forest area in forest clearance proposal**

Dear Sir,

With reference to EDS raised regarding village wise break-up of non-forest land in proposal no. FP/UP/TRANS/25051/2017 dated 17-03-2017 submitted online. Non forest land village wise possible only for those villages in which forest land is involved.

In this proposal there is only one canal crossing for transmission line, in which 0.3726 hect. protected forest land falling within two villages. Village wise forest and non forest land details have already been provided to you.

Kindly consider for further processing.

Thanking you

Yours sincerely,

for **Western U.P. Power Transmission Co. Ltd.**
