

No. FCA/ 740/cf  
H.P Forest Department.

Dated Chopal, the 29-03-2023

From: - DFO Chopal.

To: - CCF (T) Shimla.

Subject: -

Diversion of 2.8573 ha of forest land for the construction of Tranh-Charoli SHP-2 MW in foavour of Hydro Power Pvt. Ltd, within the Jurisdiction of Chopal Forest Division, District Shimla, Himachal Pradesh. (Online Proposal No.FP/HP/HYD/26220/2017).

Sir,

Kindly refer to Nodal Officer-cum APCCF (FCA) O/o Pr. CCF, HP, Shimla office letter No. Ft. 48-3768/2018 FCA dated 28.05.2022 endst to this office as well as to you and others on the subject cited above.

In this context it is submitted that the shortcomings pertaining to this Division are attended as directed vide the above referred letter. The point wise reply is detailed as under:-

Sr.	Observations.	Reply.
1.	The cost of project as mentioned as 18.98 crore in Sr. No.1.(iii) of the Part-I of the proposal folder whereas in online Part-I 18.98 Lakha has been mentioned.	The necessary correction in Part-I hard copy has been done by the user agency.
2.	As per the justification of locating the project two alternative alignments stated to have been examined but no detail of the rejected site/alternative alignments have been given. The detail of rejected sites/alternative alignments are required to be given.	Revised justification has been attached with the proposal folders and uploaded online by the user agency.
3.	Against the column E (iii) of online Part-I and hard copy, total 2700 man days have been mentioned whereas 27000 man days has been mentioned in project detail placed at page no 14 of proposal folders.	Necessary correction in online Part-I Column E (iii) has been done by the user agency.
4.	Nothing has been mentioned against the column No. M (i) online part-I.	Necessary information has been mentioned in column M(i) in online Part-I.
5.	Against the column No 1 (v) name of forest have been mentioned whereas legal status of land is required to be mentioned.	The legal status has been uploaded on the PARIVESH portal by the DCF.
6.	The technical detail of CA site is not found placed with CA scheme, further the CA Scheme is not on current wage rates. The revised CA scheme on current wage rates be placed in proposal folders and uploaded on online Part-II accordingly.	The revised bill of CA has been uploaded on the PARIVESH portal by the DCF.
7.	As per the certificate issued by DFO concerned that the project is at the distance of 13 Km of Eco Sensitive Zone Talra Wildlife Sanctuary and 2 Km from the boundary of Churdhar WL Sanctuary where as per the NOC of CWLW placed at page No. 85 the project is situated at radial distance of 8	The necessary certificate has been uploaded on the PARIVESH portal by the DCF.

	Kms from the boundary of Churdhar WL Sanctuary. Necessary clarification is required to be made.	
8.	The detail as mentioned in district profile against column 14 of online part-II as well as detail mentioned in column 12 & 13 is not matching with each other, Progress of CA upto 2022 may be given.	Needful has been done.
9.	Tittle of Project has not been mentioned in Part-IV & V.	The title of the project <del>has been</del> mentioned in Part-IV & V by the user agency. <i>per</i>
10.	The copy of IA is neither found placed in the proposal folder nor found uploaded in online Part-I.	Undertaking to provide IA has been attached with the proposal folder by the user agency.
11.	Detail of populations to be benefitted has not been found attached in the proposal folder.	Justification for Population to be benefitted has been attached with the proposal folders by the user agency.
12.	The details of transmission line have not been given. The detail of transmission i.e. length and width (RoW), the area of forest land proposed for Transmission line & voltage capacity should be placed in the proposal folder.	The detail of Transmission Line i.e. Length & Width (RoW) along with area and voltage capacity has been attached with the proposal folders by the user agency.
13.	Though, 0.6586 hectare of forest land has been proposed for dumping but no Mack Dumping plan has been found placed in the proposal folder. The cost of engineering work and plantation part should also be included in the Muck Dumping plan. It must be kept in view that while the cost of plantation is calculated, it should be on current wage rates.	The detailed muck management plan has been attached with the proposal folders and uploaded online by the user agency.
14.	Most of the documents as placed in proposal folders are photocopies whereas, all document are either in original or authenticated copies are required to be placed in both the proposal folders.	Attested copies of all the photocopies has been placed in the proposal folders by the user agency.
15.	Complete proposal be uploaded in single PDF file against additional information detail in Part-II.	EDS compliance related annexure has been uploaded on the MoEF Portal in additional information detail.

action at your end please.

This is for favour of kind information and taking further necessary
