

**Certificate regarding suitability of**  
**Compensatory Afforestation Land**

This is to certify that the Compensatory Afforestation area has been identified in the degraded forest of Masakkal Reserved Forest of Pennagaram Range in Dharmapuri Forest Division. The degraded portion of this area has been inspected by me on 30-11-2021 and it is quite suitable for raising Compensatory Afforestation. It is also approachable and manageable on protection point of view.
