Dated : 26 .02.2021

To,
The Nodal Officer,
Guwahati.

Sub :- Transportation plan of hydrocarbon produced, if any, during the initial production testing from exploratory location ELAI.

Sir,

It is to inform that no oil is produced during exploratory drilling. However, it is proposed that the mineral (hydrocarbon) surface during initial production testing, if any, from exploratory location ELAI will be transported through tankers from the well site to the nearest Group Gathering Station (GGS).

Regards,

(Munindra Das)
