Subject: - EDS with respect top proposal I No.FP/JK/Approach/49411/2020 Dt. 04-09-2020  
regarding construction of Parall bypass road from old bridge Kupwara

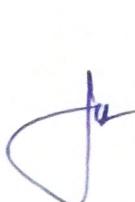

Sir,

Kindly refer on the above cited subject where under requisite documents were already uploaded on "Privesh Portal" but it has come to notice of under signed that some observations where raised regarding the category of proposal which reproduced as "Approach Access"

Worthwhile to mention here that same has been inserted during uploading of Necessary documents and filling of details on the portal.

Since the category of proposal approach access may kindly be read as "Road" instead of "Approach Access" as while editing on portal for rectification of the same , has not been responded by the system , with the result this office is not in a position for its rectification .

Yours faithfully

  
Executive Engineer  
R&B Division Kupwara
