JUSTIFICATION CERTIFICATE

The said location has been selected duly considering the site specificity that the proposed Road passing through Gotegali to Goyer Minor Forest area The New Approach Road and Bridge width is 10.00 m. The Bridge needs width 10.00 m as per PWD Road authorities. So, the 10.00 m widening of Bridge width is applied for length of the approach road $80\text{m} \times 7\text{m} = 560 \text{ sqmt}$ (0.056Ha) Length of the Bridge is $72.00\text{m} \times 10.00 \text{ m} = 720 \text{ sqmt}$ (0.072 Ha). Moreover, we have also considered issues related to movement of men and material along with a Existing road to widening Location. The same have been depicted in the land use map enclosed.

Executive Engineer,
P.W., P & I W T Dept. Division, Karwar
