**DETAILED NOTE ON THE PROJECT**

Dear Sir,

Power grid Corporation of India Limited (A Government of India Enterprises) working under administrative control of Ministry of Power, Government of India. POWERGRID, a central transmission utility is engaged in establishment and operation of regional and national power grids to facilitate transfer of electric power within and across the region with reliability, security and economy on sound commercial principles.

Looking into the future demand and existing fragile power transmission network of Delhi, Ministry of Power, G.O.I and Delhi Government entrusted the work of strengthening of transmission network and associated systems of Delhi on POWERGRID. At present POWERGRID is going to construct LILO OF BOTH CIRCUIT OF BAWANA – MANDOLA 400 KV TRANSMISSION LINE AT MAHARANIBAGH Sub -station under the strengthening package of Delhi power transmission networks. This strengthening project involves extension of 400/220 KV Sub-Stations at MaharaniBagh and their associated transmission line. With the extension of above MaharaniBagh Sub-Station of 400KV, it would be strong in – feed substation around Delhi which can take care and reliably meet the existing and future load demand of Delhi Network.

In view of above, it is requested that NOC may please be issued for the subject line at the earliest.

Thanking You,
