

Letter No. 148 / OMECL/2023  
4<sup>th</sup> March 2023

To

**The Divisional Forest Officer  
Keonjhar Forest Division**

**Sub.:** Proposal for diversion of 24.203 ha of Forest Land {diversion: 21.00 ha + (re-diversion: 3.203 ha (1.551 ha of M/s Rungta Mines Ltd. + 1.652 ha of M/s NHAI)} within the allotted block of Rengalbeda (NE) Iron Ore Mines of M/s Odisha Mineral Exploration Corporation Ltd (OMECL) - Compliance regarding.

**Ref.:** Memo No. 18059/9F (MG)-68/2021 dt. 14.09.2022 by CCF (FD & NO, FC Act).

Sir,

The point wise compliance to the observations raised by CCF (N) vide memo under reference pertaining to Rengalbeda (NE) mining lease granted in favour of OMECL is given as under for kind scrutiny:

1. The CA land over 24.203 ha identified in village Saparskanda under Thuamul Rampur Tahasil of Kalahandi district equal in extent to the forest area proposed for diversion against Rengalbera (NE) Iron Ore Mines of OMECL have been demarcated in the field by fixing RCC pillars at each corner points of the CA land boundary. The copy of the photographs in support of the statement is enclosed as **Annexure-I** for reference.

2. In compliance to the 2<sup>nd</sup> observation, it is submitted that CCF (FD & NO, FC Act) while examining Rengalbeda (NE) proposal of OMECL observed to include 1.652 ha in the ML area and also asked OMECL to obtain NoC from NHAI over equivalent area. Accordingly, OMECL requested NHAI vide letter dt 12.07.2022 and in response, NHAI vide their letter No. NHAI/PIU/ RKL/NH-215/Misc./6881/2022 dt 26.07.2022 expressed their unwillingness to issue NoC. The copy of the request letter by OMECL and the reply by NHAI is enclosed as **Annexure-II series**.

OMECL vide letter No.1193/OMECL/2022 dt 16.12.2022 (**Annexure-III**) requested PCCF (FD & NO, FC Act 1980) to intervene in to the matter by enforcing Cl.No.5.6 (b) of Handbook of Guidelines dt 28.03.2019 by MoEF & CC or recommend the proposal excluding 1.652 ha of forest land diverted earlier in favour of NHAI as had been decided by MoEF & CC in case of Jilling-Longalotta mines of OMC Ltd where 26.0 ha of forest land of the ML acquired by Railways and diverted in their favour have been excluded from the proposal. The suggestion to surrender the area of the ML covered by NH-215 is not acceptable as the ML shall be fragmented in to two separate blocks.

Considering the above, it is requested to kindly consider our case and recommend to higher quarter for grant of Stage-I FC pertaining to Rengalbeda (NE) Iron Ore Mines of OMECL.
