| A-1 Project Details                                                                         | 1. The project detail is not given. The detail of OFC line should be given( Distance, from where to where etc.)                                                                                                                                                                                                                                       | Desired details have been provided in point A-1.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| A-3 Details of person making application                                                    | 1- The person making application is other than the authorised person by the company                                                                                                                                                                                                                                                                   | Both are same now.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| B Details of land required for forest                                                       | 1- Details of all proposals submitted in past & under processing should be given. 2. Land details should be given upto 4 decimals                                                                                                                                                                                                                     | 1- details of all proposal submitted has been given. 2- Has been given upto 4 decimals.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| C Maps of forest land proposed to be diverted                                               | <p>1- The area of KML is different from the area required for diversion, so rectify KML, TOPO Sheet &amp; DGPS accordingly.</p> <p>2- Forest boundary should be marked in KML.</p> <p>3- TOPO Sheet should be given at 1:50,000 scale with entry exit chainage in forest land.</p> <p>4- Proper DGPS map with all coordinates should be uploaded.</p> | <p>1. Has been rectified.</p> <p>2. Starting point (entry in forest land) &amp; end point (Exit from forest land) has been marked in KML.</p> <p>3. Concerned portion of GT Sheet showing length of road along with Entry &amp; Exit wherein U/G OFC in RoW will be laid has been uploaded. ORIGINAL GT Sheet with R.F 1:50,000 will be provided when hard copies of the proposal will be asked by the department.</p> <p>4. In case of proposals for U/G laying of OFCs, T/Ls, drinking water supply P/Ls, CNG/PNG P/Ls within existing RoW of roads &amp; petroleum P/Ls, the Gol have accorded general approval U/S 2 of FCA,1980. Since right to use RoW of roads is with PWD/NHAI, we seek permission to lay U/G OFC in RoW from PWD/NHAI etc. as the case may be as per guidelines of NHAI &amp; State PWD. Permission of Forest Department is sought in addition to the permission of NHAI/PWD etc. DGPS map should, therefore, be not required.</p> |
| D Justification for locating the project in forest land & details of alternatives examined: | 1. In justification, the proposal name with area to be diverted and proposal number should be given.                                                                                                                                                                                                                                                  | 1. Name of proposal with area required and proposal number has been given here also.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| <p>K. Status of settlement of rights under the Forest Rights Act, 2006 on the forest land proposed to be diverted</p> | <p>1. FRA Certificate is not given.</p>                                                                                                                                                                                                                                                                                                                                                                                             | <p>1. Since Recognition of Forest Rights (RoFR) claims do not exist along the roads in existing RoW, proposals of laying u/g OFC along roads in existing RoW are exempt from furnishing of FRA certificate. Copy of letter no. 11-9/98-FC (pt) dated 5/2/2013 is attached for ready reference.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| <p>Additional information details</p>                                                                                 | <p>1. Administrative &amp; financial sanctions not attached.<br/>2. Area calculation sheet should be attached khasrawise/villagewise.<br/>3. Bar chart should be given.<br/>4. All underretakings i.e. NPV, CA Amount, minimum use of forest land, other conditions, no use of forest produce, cross section of OFC line, Muck disposal plan etc. should be submitted in additional information should be given in MoEF format.</p> | <p>1. Sanction has been attached.<br/>2. Area calculation sheet has been attached. The GoI have granted general approval under S/2 of FCA, 1980 for diversion of forest land for certain CRITICAL PUBLIC UTILITY SERVICES/STRATEGIC DEFENCE INFRASTRUCTURE. U/G laying of OFC etc. along roads within existing RoW is one of such activities. In execution of these works maximum size of trench should be 2.00 meter deep &amp; 1.00 meter wide. Seeking khasra/villagewise details is not desirable for activities to be done in RoW of existing roads which are covered under general approval granted by GoI. Form-'A' Part-I ( to be filled up by user agency ) for seeking prior approval under S/2 of the proposals by the State GOVERNMENTS and other authorities does not seek khasra/villagewise details.<br/>3. Bar chart has been given.<br/>4. U/G laying of OFC is exempt from NPV as per order dated 28/3/2008 of Hon'ble SC of India. As per Order No.11-9/98/FC dated 15/6/2004 of MoEF, GoI question of CA does not arise. Minimum use of forest land is done by us. No use of forest produce is done while laying OFC. Cross section of OFC line, Muck disposal plan is not applicable in the proposal under consideration.</p> |
