

Brief Note regarding construction of Tractor Road from Gair Bus Stand to Kali Dabbar.

The total length of the road is 620 meters. RD 0/00 to 0/400 falls under Private land of locals and the rest upto RD 0/620 falls under Forest Land. On construction of this road, people of 10 Panchayats about 20000 to 25000 will be benefitted by this tractor road. The road on the forest stretch involves plane area and there is no cutting of earth and involvement of trees. Minor work of retaining/breast walls shall be undertaken at the time of construction work.
