

**Full Title of the Project- Construction of link road from Sainwala, Boghria, Jhameria, Charuwala, Katola Km.0/0 to 11/500.**

**File No.**

**Date of Proposal:**

## PART-II

*(To be filled by the concerned Deputy Conservator of Forest)*

### State Serial No. of Proposal

7.	<p>Location of the Project/ scheme</p> <ol style="list-style-type: none"> <li>State/Union Territory</li> <li>District</li> <li>Forest Division.</li> <li>Area of Forest land proposed for diversion (in ha.)</li> <li>Legal status of the Forest</li> <li>Density of vegetation</li> <li>Species-wise (Scientific names) and diameter class-wise enumeration of tress to be enclosed. In case of irrigation hydel projects, enumeration at FRL, FRL-2 meter &amp; FRL-4 meter also to be enclosed.</li> <li>Brief note on vulnerability of the forest area to erosion.</li> <li>Approximate the distance of proposed site for diversion from the boundary of forest.</li> <li>Whether forms part of a nation park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc. (if so, the details of the area, and comments of the Chief Wildlife Warden to be annexed).</li> <li>Whether any rare/enderangered/unique species of flora and fauna found in the area-if so details thereof.</li> <li>Whether any protected archaeological/heritage site/defence establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority.</li> </ol>	<p><b>Himachal Pradesh</b>  <b>Sirmour</b>  <b>Nahan Forest Division</b></p> <p><b>7.565 Hect.</b></p> <p><b>Reserve forest</b>  <b>0.1</b>  <b>Enumeration list is enclosed</b>  <b>Page 39.</b></p> <p><b>The proposal alignment is not vulnerable to erosion and does not form a part of seriously corded area as the strata are land is quite stable.</b></p> <p><b>No vulnerability of erosion.0.5 kms</b></p> <p><b>NO</b></p> <p><b>NIL</b></p> <p><b>No archaeological/Heritage site/Defence establishment exist in the area</b></p>
----	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

8	Whether the requirement of forest land as proposed by the user agency in col. 2 of part-I is unavoidable and barest minimum for the project, if no, recommended area item- wise with details of alternatives examined.	<b>Unavoidable and barest minimum.</b>
9	Whether any work in violation of various Forest Acts has been carried out (Yes/No). If yes, details of the same including period of work done, action taken against the erring officials. Whether work done in violation is still in progress.	<b>-----No-----</b>
10	Details of compensatory afforestation scheme	<b>Attached.</b>
	i. Details of non-forest area/ degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.	<b>The compensatory afforestation will be carried out in a single patch of which falls within same forest land i.e. RF Sanoga C-2.</b>
	ii. Map showing non-forest/degraded forest area identified for compensatory afforestation and adjoining forest boundaries.	<b>Attached.</b>
	iii. (iii) Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc.	<b>Details of Scheme attached.</b>
	iv. Total financial outlay for compensatory afforestation scheme.	<b>The Financial outlay for raising Plantation and its maintenance scheme comes out to Rs. 2731672/-</b>
	v Certificate from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned italics Deputy Conservator of Forest.	<b>Certificate attached</b>
11	Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in col. 7 (xi, xii), 8 and 9 above.	<b>Inspection report attached.</b>

12	Division/District profile:	
	i. Geographical area of the district.	282500ha
	ii. Forest area of the District.	138700 ha
	iii. Total forest area diverted since 1980 with number of cases.	37 = 232.5512 ha
	iv. Total compensatory afforestation stipulated in the district/ division since 1980 on (a) Forest land including penal compensatory afforestation, (b) Non Forest land.	665.102 ha
	v Progress of compensatory afforestation as on (date) on 24/07/2021 (a) Forest land. (b) Non-Forest land.	652.8596 ha  <b>Remarks: Area transferred from other Divisions.</b>
13	Specific recommendations of the DCF for acceptance or otherwise of the proposal with reason.	<b>The case being a project of public interest recommended for approval under FCA, 1980.</b>

Dated: 24/07/2021
