

**NOTE ON DETAILED SURVEY AND INVESTIGATION WORKS OF KEEZHARKUTHU
HYDRO POWER PROJECT.**

1. For development of any hydro power project, detailed survey & Investigation and then preparation of DPR is necessary for getting the required statutory/ non-statutory clearances.
2. As some portion of the project components lie within the Thodupuzha RF area, the Forest Department was approached on 08/10/2014 through Energy Management Center (EMC), Seeking permission for carrying out the survey works. EMC recommended the proposal to the Forest Department vide their letter no. EMC/SHPC/FD/GMW/01 dated 10.10.2014.
3. Approval for conducting the Topographical survey was granted by the Additional Principal Chief Conservator of Forest (Special Afforestation) & Nodal Officer, Kerala vide Order no. FC2-44176/2014 Dated 23.10.2015.
4. Detailed survey for the project was carried out for around 3 months after that date.
5. All the drawings are prepared in line with the Topographical Survey and also the detailed project report was prepared, as per norms. DPR has also been approved by KSEB.

End:

Order from Addl. Principal Chief Conservator of Forests, Thiruvananthapuram.
