Reply of Shortcomings sought on dt. 08.03.17

Name of the Road :- Gua Salai Road from Km. 11.00 to Km.29.00.

Proposal No.:- FP/JH/ROAD/23802/2017

Sl. No.	Query Sought By Forest Department	Reply	Remarks
1	Proposal has been submitted for 11.00km to 29.00 km. Thus please submit Geo Referred map of only that portion of length.	By mistake the points of co-ordinates has not been shown on Geo Referred map which was uploaded earlier and the corrected map was uploaded on 08.03.17. It has been also cleared that 9000 to 26900m is chainage not Km. It was also rectified. It is well known that Gua Salai Road is in two parts ie. From Km.1.00 to Km.11.00 and Km.11.00 to 29.00 th Km. the first two Km was already constructed. Hence the road project is prepared from Km.2.00 to 11.00 and Km.11.00 to 29 th Km. Now the Km.2.00 becomes chainage 0.000m and consequently Km.11.00 becomes chainage 9000m. Thus Km.11.00 is now chainage 9000m and km29.00 th is chainage 26900m for these two road projects. With this fact both parts of the road project was sanctioned by the Jharkhand Cabinet.
