

## **Report on Environmental Impact Assessment.**

Small Hydro Projects upto 25 MW have been categorized as "**white industry**" by Govt. of India Notification and are exempted from getting Environmental Clearance (EC).

As such, study on Environmental Impact Assessment is not required.

However, as required by the State Forest Department, detailed E.I.A. study has been carried out by Agriculture and Eco-system Management Group (AGES), Trivandrum.

The EIA has been furnished to the Principal Chief Conservator of Forest vide our letter dt. 15.05.2018.
