

GOVT. OF ASSAM  
OFFICE OF THE DIVISIONAL FOREST OFFICER ::: CACHAR DIVISION :::  
SILCHAR.

SITE SPECIFIC RECOMMENDATION

Project : Construction of 132 KV S/C Haflong-Jiribam  
Transmission Line

Forest area proposed for diversion in Borail Wildlife Sanctuary (East Block) under Cachar Forest Division, Silchar for an area of 9.23 Ha

The construction of the transmission line is a Govt. of India Project having national interest, as relocation of the said transmission line is required to successfully execute the Balacherra-Harangajao 4-lane Highway which has already obtain Forest Conservation Clearance from Competent Authority.

  
Divisional Forest Officer,  
Cachar Division : Silchar.
