

**FIELD INSPECTION NOTES OF THE DISTRICT FOREST OFFICER, SIDDIPET**  
**IN RESERVE FOREST LAND ON 01- 08 -2022.**

Today, I along with the Forest Range Officer, Siddipet and their field staff have inspected the Reserve Forest areas proposed for diversion of (0.9499) Ha of Forest Land in Kondapak RF for laying of road access to M/s.Abhaya Hanuman Mining company at Sy.No.54, (Govt. Land) Mathpally (V), Kondapak (M), Dist.Siddipet in favor of M/s. Abhaya Hanuman Mining company as detailed below:

RF Name	Compt. No.	Proposed Area
Kondapak	238	0.9459

The said area is passing through the Kondapak RF, The canopy of this area is 0.1 and about 166 trees are required to be removed from the said area. The dominant species in this area are 1) Vepa 2.Chennangi 3.Chinta 4.Illintha 5.Kanuga 6.Palakodisa etc., Enumeration and valuation of the tree growth for 166 number plants is Rs.22647/- in the proposed area.

I have searched for other alternatives, but there is no alternative land available except the present proposal and it is found that as requested by the User Agency there is no necessity of 0.9459 Ha. of Forest Land as the User Agency has requested for diversion of 5 Meters width and 1891 Meters Length but on my verification it is found that for 1891 Meters length with 5mts width the total area comes to **(0.9455) Ha only** and this is the barest minimum area that is required for formation of approach road to the M/s. Abhaya Hanuman Mining company at Sy.No.54, (Govt. Land) Mathpally (V), Kondapak (M), Dist.Siddipet. Further the Chain link erection work is under process by the Department and the same is getting disturbed due to the proposal. Hence erection of Chainlink fencing and construction of boundary pillars proposal needs to be included in the CA Scheme or may ask the user agency to construct at their own cost, as per the type design, specifications and standards of the Department.

No work in this regard is started as on date in violation of FC Act 1980. There are no encroachments and also claims in the RF area that attracts the RoFR Act 2006.

1. The area does not fall in wildlife protected areas, archaeological heritage site, important monument there are no claims pending under RoFR Act.2006.
2. There are no endangered species that are caused or harmed due to formation of approach road to the M/s. Abhaya Hanuman Mining company at Sy.No.54, (Govt. Land) Mathpally (V), Kondapak (M), Dist.Siddipet.
3. Further CA scheme proposed for 2 Ha. DFL.

**District Forest Officer,  
Siddipet.**
