

PART-III

(To be filled by the conservator of Forest)

1.

Whether site, where the forest land involved in the case is located has been inspected by the concerned Conservator of Forest? If Yes, the date of inspection of observations made in the from of inspection to be enclosed.

Yes.

On the request UA and as per the directions issued by PCCF (HOFF), the site was visited on 28.01.2022 to verify of the details submitted under this proposal is FP/HR/Others/150474/2021.
2.

Whether the concerned Conservator of Forest agrees with the information given in Part-B and the recommendations of the Deputy Conservator of Forests.

Do not agree with the scheme of CA proposed by DCF Bhiwani for this project.
3.

Specific Recommendations of the concerned Conservator of Forest for acceptance or otherwise of the proposal with reasons.

The U/A has originally applied for diversion of 0.081 Ha. forest area (Proposal detailed No. FP/HR/Approach/48019/2020) for Which final approval has been conveyed vide letter No. 9544/1051 dt. 15.03.2021. In the said proposal, 20 trees and 42 saplings were affected in addition to diversion of 0.081 Ha. forest area for which the following CA Scheme was prepared:-

1.

CA in lieu of 20 trees to be filled (for 200 plants)-

292816.00

2.

AdditionalCompensatory Afforestation-

122988.00

3.

Net Present Value - 71847.00

4.

Soil Mositure Conservation Charges - 96629.00

5.

Supervisory Charges - 29282.00

6.

Felling Charge - 20112.00

Total Amount -633674.00

During the site inspection it was found that the U/A intends to divert additional 0.0019 Ha. area for construction of open drain in the 'D' area for which one tree also will be filled. The U/A has already violated the provisions and constructed part of the drain in 'D' area for which suitable action has been taken by DCF Bhiwani.

Since the additional land intended to be diverted is part of the same project under proposal No. FP/HR/Approach/48019/2020 for which CA Scheme was already prepared, now the following charges only are required to be recovered from the U/A on account of CA.

Diffrence of amount of CA for additional 10 plants in lieu of one tree to be felled.

1.

292816 Amount CA for 200 plants-

1464.08

200

(cost of CA for 1 plants)

Addl. Cost of CA for 10 plants -14640.00

2.

Net Present Value -

1685.00

3.

Penality Charge for Violation –

28.00

4.

Soil Mositure Conservation Charges –

4392.00

5.

Felling Charge -

798.00

Total Amount-

21543.00

Therefore a total amount of Rs 21543/- need to be recorved from U/A on account of CA for the additional land proposed to be diverted.
