

## Site Inspection Note

Name of the Project : Diversion of 0.81 ha of forest land for laying 11 kv transmission line along right of way in Veppanapalli Reserve Forests for the benefit of Patta holders of Krishnagiri District.

Inspected the proposed site in Veppanapalli RF on 28.07.2020 with the Forest Range Officer and staff of Krishnagiri Range. The proposal for diversion under FC Act, 1980 for laying of 11 kv transmission line for the benefit of patta holders (enclosure in RF) to an extent of 0.81 ha is a linear project and it is passing along the right of way in Veppanapalli Reserve Forest.

The alignment of the proposed 11 kv transmission line passing along right of way in Veppanapalli RF of Krishnagiri Range. The Veppanapalli RF was declared in the Tamil Nadu Government Gazette notification No. 28 dated: 19.07.1989, the right of way allowed in number 28, the length of the permitted right of way is 1157 m and width is 5 m. In which, the User Agency is proposed for laying 11 kv transmission line to a length of 1110 m and a width of 7.29 m total proposed area is 0.81 ha.

The type of forest in the Veppanapalli RF is Moderate slope / Southern Tropical Dry mixed deciduous. There is no important endangered species found in this tract. Due to this proposal, it does not lead to any felling of trees or disturbance to the landscape and there would be no disturbance to wild animals.
