AIADA/HP/RDP/18-19/02

Dated: - 23/07/2018

Subject: - Forest Dept Clearance for the leased Land for HPCL, LPG Bottling Plant at Gamharia for Capacity Augmentation.

Reference: - HLS001

Dear Sir,

This is in reference to the above subject, M/s AIADA vide its letter Ref. 539/ADA dated 11/04.1998 had allotted 25 Acres of land on long term lease to M/s Hindustan Petroleum Corporation limited (A Government of India Undertaking) for setting up an LPG Bottling Plant at Gamharia in the year 1999-2000 to meet the local demand of LPG in Jharkhand.

Accordingly, we had constructed the LPG Bottling plant on the leased land in the year 2000. Now the demand of LPG has increased manifold thereby the necessity of the capacity augmentation of bottling facility. Also in view of release of LPG connection to Pradhan Mantri Ujjwala Yojana (PMUY) / GSA, we had proposed to increase the storage/ filling facility from 100 MT to 1500 MT.

Therefore, we had approached SLEIAA for grant of Environmental Clearance for addition of facilities at our plant. SLEIAA vide its clearance dated (copy enclosed) has suggested Forest Dept. clearance for the expansion project. As the land ownership belongs to AIADA and leased to HPCL, we request you to give us copy of NOC taken from Forest Dept. for submitting to SLEIAA.

Request you to provide the Forest Clearance details for the land.

The land details are as below: -

Sub: NOC for obtaining forest clearance for 25 acre land allotted to HPCL vide letter no.539/ADA dt. 11/4/1998.

Respected Sir,

This is with reference to the land allotment order no. 539/ADA dt.11/4/1998 for 25 acre land to HPCL. At present HPCL has planned for the expansion of LPG storage tanks since due to the increase in the demand of LPG in market in view of Pradhan Mantri Ujjwala Yojna. At present with this present capacity of the LPG storage tanks due to constraint in storage it is very difficult to meet increase in the market demand of LPG. Hence HPCL management has planned to provide additional storage tank facility to meet the market demand. For the project activity HPCL has applied for Environmental clearance and conditional Environmental clearance was obtained by SIEAA. SIEAA has advised to obtain the forest clearance of the mentioned plot of 25 acre from forest department before implementation of the project.

Since the land has been allotted by AIADA we hereby request you kindly issue us NOC (No objection certificate) for obtaining forest clearance of our 25 acre land from forest department.

Thanking you

Sub: Consent for obtaining forest clearance for 25 acres land allotted to HPCL vide letter no. 539/ADA dt.11.4.1998.

Respected Sir,

This is with reference to the land allotment order no. 539/ADA dt. 11/4/1998 for 25 acres land to HPCL. At present HPCL has planned for the expansion of LPG storage tanks since due to the increase in the demand of LPG in market in view of Pradhan Mantri Ujjwala Yojna. At present with this present capacity of the LPG storage tanks due to constraint in storage it is very difficult to meet increase in the market demand of LPG. Hence HPCL management has planned to provide additional storage tank facility to meet the market demand. For project activity HPCL has applied for environmental clearance and conditional environmental clearance was obtained by SIEAA. SIEAA has advised to obtain for forest clearance of the mentioned plot of 25 acre from forest department before implementation of the project. HPCL has applied for forest clearance at DFO Saraikella for which he had advised to obtain NOC from AIADA for obtaining forest clearance .

Hence we request you kindly issue consent for obtaining forest clearance from forest department. We have earlier applied for the same vide letter no. AIADA/HP/RDP/18-19/02 dt. 23/07/2018 , AIADA/LPG/AL dt. 20/12/2018 (copy enclosed) we are also enclosing the copy of the letter from DFO Saraikella advising to obtain consent from AIADA for obtaining Forest clearance separately.

Thanking You,
