UNDERTAKING FOR PIPELINE ROUTE SURVEY

OIL INDIA LIMITED on behalf of Consortium comprising of Hindustan Oil Exploration Company and Indian Oil Corporation Limited is planning to lay underground gas pipeline along the periphery of Digboi Reserve Forest and Upper Dehing Reserve Forest (West Block) up to existing Kusijan Gas Gathering Station (GGS) operated by Oil India Limited. About **8.074 Km** of this underground gas pipeline will pass along the periphery of the forest land for which **4.8444 Ha** of forest land of Golai Gaon No.1 will be diverted.

We hereby give an undertaking that the work of pipeline route survey between Golai Gaon and Kusijan Gas Terminal passing through Upper Dehing Reserve Forest West Block is being carried out using **Differential Global Positioning System (DGPS)** and the Total Station.
