SITE INSPECTION REPORT OF CHIEF CONSERVATOR OF FORESTS, GHNP
CIRCLE SHAMSHI

(For the forest land to be diverted under FCA)

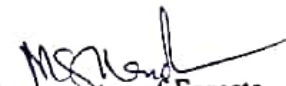

A proposal has been received by this office from Addl. Superintending Engineer, Electrical Division, HPSEBL, Thalout Distt. Mandi for diversion of 8.1872 Hac. (under FCA-1980) of forest land for the construction of 11KV HT line to the un-electrified village Shagore, Shakti & marmor in Banjar Block under GHNP Division, Shamshi Distt. Kullu. The project envisages the use of forest land for construction of 11KV HT line, Sub Tehsil Sainj Distt. Kullu. The site inspection of the land involved in the proposal has been done by me on dated 29-03-2023.

The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project. User Agency should try to cut minimum trees & emphasis should be on lopping of the trees coming under neath the transmission line. User Agency should avoid cutting of Hipophae species as these serve as feeding trees to Grandala (Nili Chidia) especially during winter.

The User Agency has not violated the provision of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

Therefore, the proposed diversion is recommended.

Place Shamshi
Dated 30/3/2023

Chief Conservator of Forests,
Great Himalayan National Park,
Shamshi Distt Kullu.
