Sub: Diversion of 43.30 Ha of forest land
for coal mining in Piparwar OCP of
Dear Sir, CCL in Hazaribagh District.

Kindly refer to letter No.8-172/89-F.C. dated 3.11.1993 issued by Shri Munindra, Under Secretary to Government of India. A photo copy of which is enclosed for your ready reference. The comments of CCL are as under:-

1. The land for compensatory afforestation was provided from Government land in village Kalyanpur and village Mander. 53.79 Ha of non-forest Government land was accepted and approved and forest proposal was forwarded to MOEF, New Delhi. The P.C.C.F. has already written to Secretary (Forest) for issue of Gazette Notification for declaring it as protected forest. Hence condition No.1 has already been implemented by C.C.L. and Forest Department.
2. You are requested to kindly place the demand of forest growth etc. for 43.30 Ha of forest land to be released. In this connection, this is to inform you that the cost of raising afforestation in 1.5 times of forest area in safety zone has already been deposited to State Forest Department when approval for release of 13.11 Ha of forest land was received for Piparwar OCP. A photo copy of the correspondence made by CCF (Development/Nodal Officer) is enclosed for your kind information. Hence compliance of item No.2 will be done only on receipt of demand from your office.
3. The cost of enrichment plantation over degraded forest land equal to 1 1/2 times safety zone area has already been paid by CCL as mentioned above. Therefore this condition No.3 has already been implemented by CCL.

I therefore request you to kindly send the demand letter for cost of forest growth, net present value, cost of compensatory afforestation and value of forest produce at the earliest so that necessary payment can be made by C.C.L. without delay.

Thanking you,

Yours faithfully

of 43.30 Ha of forest land for Piparwar
OCP of CCL.

Ref : Your letter No. 3291 dated 16-12-93.

Dear Sir,

With reference to the above letter, a demand for
Rs. 86,39,408.12 (Rupees Eighty six lakhs thirtynine thousand
four hundred eight and paise twelve only) was placed towards
the net present value, compensatory afforestation, fencing
in safety zone and re-generation, cost of forest growth etc.
for release of 43.30 Ha of forest land for Piparwar OCP.

In this connection, kindly refer to letter No.
GM (Env-Land)/94/29-30 dated 5-1-94 from the undersigned
addressed to you wherein, it was mentioned that fencing
in safety zone and re-generation will be done by CCL. This
has also been accepted by the Forest Deptt in all the cases
where approval of MOEF for release of forest land has
been received. It may also be mentioned here that for
Parej East OCP in Hazaribagh (East) and Urimari OCP in
Hazaribagh (West), CCL has committed for fencing in safety
zone area and re-generation and this was accepted by Bihar
State Forest officials and a proposal was forwarded to MOEF,
New Delhi and based on this, the final approval was received.
Therefore, Rs. 7,43,000/- (Rupees seven lakhs fortythree thou-
sand only) has been deducted from the total demand placed
by you.

Sub: Diversion of 43.3 Ha of forest land for
coal mining in Piparwar OCP of CCL in
Hazaribagh District.

Dear Sir,

Conditional approval for release of 43.3 Ha of forest land was issued by Ministry of Environment and Forest, New Delhi vide letter No.8-172/89-F.C. dated 3.11.1993. The following conditions were laid down in the conditional approval:

1. Immediate action should be taken for transfer and mutation of equivalent non-forest land in favour of State Forest Department.

Action taken by C.C.L.

Equivalent Government land was provided for compensatory land from the village Kalyampur and Mandar. The same was accepted by State Forest Department and has been notified as protected forest.

Thus CCL has fulfilled this condition.

2. The user agency will transfer the cost of compensatory afforestation in favour of Forest Department.

Action taken by CCL

C.C.L. has deposited Rs.78,96,408.12 vide cheque No.A-71/100-424944 and A-71/100-424943 dated 31.1.94 towards cost of forest growth, net present value, etc. Thus C.C.L. has deposited the amount as has been demanded by D.F.O. Hazaribagh West.

3. The user agency will transfer the cost of enrichment plant over degraded forest land equivalent to 1.1/2 times of safety zone area and also cost of re-generation and fencing of safety zone area.

Action by C.C.L.

The cost of plantation over degraded forest land equivalent to 1.5 times of safety zone has been deposited by C.C.L. along with the approval of release of 13.11 Ha of forest land for Piparwar OCP for which final clearance has been obtained vide dated 2.12.1992 by Ministry of

..2..

Environment and Forest. The cost of re-generation and fencing of safety zone to the tune of Rs.7,43,000-00 are paid vide cheque No.0499513 dated 5.7.94 enclosed with letter No.LA/1-571/91-2000-06 dated 13.7.1994 addressed to D.F.O., Hazaribagh West (copy enclosed).

From the above it can be seen that C.C.L. has fulfilled all the conditions as has been mentioned in the conditional approval letter. It is therefore requested that the compliance report may kindly be sent to Ministry of Environment and Forest, New Delhi for issue of final approval letter.

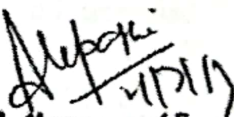

Thanking you,

Yours faithfully
