Dear Sir,

With reference to the above subject, the Compliance against the Essential Details Sought (EDS) has been enlisted below. Also, the forest area has been revised from 0.9248 ha. to 1.5276 ha. due to change in RoU configuration.

Point no.	Observation	Compliance
1	File of the proposal has been submitted for Re-diversion, but the proposal has not included the details of the proposal under which the same area has been re-diverted, such as the approval of the Central Government for earlier diversion.	To the best of our knowledge, we are acquiring the data available from our records, after the receipt of the same it will be submitted at the earliest.
2	Private or other forest provisions applicable to non-forest areas affected by the proposal If the area has been converted into old/new villages, then the details like GAT consolidation plan, GAT book map etc. should be submitted along with the completion report.	[Enclosed]
3	The map included in the proposal must show the non-forest area	[Enclosed]
