

RECOMMENDATIONS OF THE DEPUTY CONSERVATOR OF FORESTS,
PHULBANI FOREST DIVISION.

Considering all aspects involved in forest diversion, Economic growth of the area and Socio- Economic growth of the area and Socio-Economic condition of the locality and to have rapid movement, diversion of 7.722 ha of Forest land of Kandhamal District u/s 2(ii) of Forest (Conservation) Act, 1980 is recommended for Up-gradation of Existing 2 lane road to 2 lane with Paved shoulder 1.5m on both sides of the existing Road (NH-157). This will allow speedy movement in this left wing affected district and also help socio-economic growth of the area/district. Movement from western Odisha to Coastal area will be less time consuming
