

MUCK MANAGEMENT PLAN

Name of proposal : Diversion Of 7.3991 ha of forest land in favor of Luni Power Company Private Ltd for Construction 33 KV Transmission Line.

The proposal involves construction of 33 Kv Transmission line from Luni – I SHEP to 33 Kv substation Baijnath. The total length of the transmission line is 5308.80 meters and is proposed to be erected on single RCC poles of 13 meter length. A total 41 number of such RCC poles shall be erected for laying of the transmission line. A two meter deep pit is to be dug to erect the pole and a total quantity of about 82 cubic meter of muck shall be generated. This muck shall be disposed of by using it for the purpose of soling the road, land for which has already been diverted under FCA as one of the component of the proposal namely construction of Luni Small HEP 3 MW, Vide MoEF letter number 9-HPB1293/2001-CHA/638, dated 10-02-2006.
