

Justification for locating the project in forest area

As there is no alternative route to the Railway line, the forest land is required to Construct the New Double Line and Electrification of track between Guntur and Guntakal stations at Konided & Panyam (Rly.Km.275-281 & 285-288) in Comp.No.145 of Panyam RF, Bugganapalli & Konidedu Beat and Comp.No.147, 137 & 148 of Panyam RF, Konidedu beat to an extent of 3.21 Ha. in Kurnool Range, Kurnool Division, Andhra Pradesh.
