Dear Sir,

The consortium of GAIL (India) Ltd and Jubilant Oil & Gas Pvt. Ltd. engaged in hydrocarbon exploration activities in the state of Tripura has identified drilling locations for construction of Drill site/Accommodation for crew, security/waste pit etc, required to be done for successful completion of well drilling.

As namely identified location Dev 2A & Its Approach Road land falls at Mauja- Birendra Nagar under Shantir Bazar Sub-Division in forest area We have to apply to forest department for land diversion under Forest Conservation Act & Rules 1980 for non-forest use. But as per the new guidelines issued by MoEF user agency has to submit the RFR certificate signed by State Government Authority (District Magistrate) in the prescribed format issued by MoEF (copy enclosed) along with diversion proposal.
